Description	Lamezia Terme Airport is located in Santa Eufemia in the municipality of Lamezia Terme (CZ) about 2 km from the Lamezia junction of the A3 motorway (Salerno - Reggio Calabria), about 2 km from the Lamezia railway station along the Tyrrhenian Sea route, and about 80 km from the container port of Gioia Tauro. The airport is spread over an area of 260 hectares about and it consists of a runway of 3000 m about (of which currently usable 2400 m about), an aircraft

CALABRIA ZES

	<p>parking area, motorway link roads, passenger and freight terminal, parkings and minor infrastructures to support airport activities.</p> <p>In the adjacent area, there is a military settlement, used by the Italian Army Light Aviation and connected, through a link road, with the airport's flight infrastructure.</p> <p>To the east of the passenger terminal, there is a freight area consisting of air side and ground side aprons and a building, the premises of which occupy a gross area of approximately 4,200 square meters.</p> <p>The freight area is equipped with a covered air-side apron for the movement of goods and vehicle parking and a city-side apron of about 3,700 square meters, partly dedicated to the parking of loading and unloading vehicles and partly to parking for passenger cars of airport users and operators.</p> <p>The SEZ airport area is defined by the airport property demarcation report. Flight infrastructures and State Bodies have been excluded from the definition of the SEZ. The area size included in the perimeter of the SEZ corresponds to about 26 ha.</p>
Facilities	<p>The SEZ Calabria strategic plan, chap. 9 "Facilitations and incentives", (P.M.D. 12/2018 art. 6, l. g, c. 1) identifies the following main facilities to support the SEZ:</p> <ul style="list-style-type: none"> • Tax credit (Law 208/2015) • Development contracts (MISE Agreement, 2-017, D.G.R. 93/2018) • Law 181/89 (D.G.R. 423/2016, D.G.R. 95/2018) • Craft Fund (D.G.R. 580/2017) <p>Furthermore, the law n. 178/2020 (Budget Law 2021), art. 1, c. 173-176, introduced a further facility for businesses that set up new economic initiatives in SEZ areas, regarding the reduction by 50% in income taxes for activities carried out in the SEZ.</p>
Infrastructures and services	<p>Link Road infrastructures to motorways and road networks</p> <p>Water supply infrastructures</p> <p>Link Infrastructure to wastewater collection and purification</p> <p>Telematic/telephone/fiber infrastructures</p> <p>Energy infrastructures (gas)</p> <p>Energy infrastructures (electricity)</p> <p>Waste collection/removal infrastructures</p> <p>Security and control infrastructures (apart from flight infrastructures)</p> <p>Commercial, service and accommodation areas (INSIDE the airport)</p> <p>Logistics and goods handling areas (CARGO AREA)</p> <p>Parking and vehicle parking areas</p>
Available zoning regulation	<p>Development Plan of Lamezia Terme Airport provided by M.D. n. 219 21/10/2015 by Minambiente and MIBACT</p>
Restrictions	<p>Environmentally Protective Restrictions: 4 SEZ development areas are subject to the environmentally protective restriction cod. 180006 "Tyrrhenian coastal area located in the Municipality of Lamezia Terme (formerly Santa Eufemia), including Fiore", established by D.M. 07/07/1967, Official Gazette 25.07.1967 n. 185.</p>

CALABRIA ZES

	<p>Restrictions in Transitional Basin Plan for the Hydrogeological Asset: The two largest SEZ development areas are affected by plumbing criticalities.</p> <p>Flood Risk Management Plan: Compared to the PGRA, coordinated at the hydrographic district level, the two largest SEZ development areas are affected by floods identified according to national specifications. These risk areas are however closely placed to only one side of the respective areas.</p>
